General Scholarship Information

- Applicant must be enrolled in one of the following classes: Design Drafting, Carpentry, Electrical, Welding, or HVAC.
- Scholarship Committee will consist of current members of the Athens-Limestone Homebuilders Association.
- A total of \$1,500 will be awarded to up to 3 students at Limestone County Career Technical Center.
- These scholarships may be awarded for a student to further their training in college or a technical school and/or to begin a business in his/her career technical skill.
- Applicant must be recommended by their Career Technical instructor. Instructor's recommendation will be based on the student's attitude, attendance, and grades.

Application Procedure

- Application must be mailed to the Athens-Limestone Homebuilders Association Scholarship Committee and postmarked by April 14.
- Applicant must be a second year student of the Limestone County Career Technical Center.
- Applicant must not have more than 3 excused absences per semester beginning with the tenth grade (sickness/medical exceptions may be granted with Career Technical Center counselor's documentation).
- Applicant must maintain a 90 composite average in career technical subject.
- Applicant must maintain a 75 composite average in academic subjects in the tenth, eleventh, and twelfth grades.
- Applicant must include:
 - One letter of recommendation from your career technical instructor.
 - A certified copy of your high school transcript.
 - A written or typed paragraph stating your career goals and objectives.
